

DUAL STREAM SYSTEMS

RECYCLABLE ITEMS LIST

Dual stream is the program with small recycling bins. Paper must be kept separate from bottles and cans and not placed in the bin.

PLACE BOTTLES & CANS IN THE RECYCLING BIN

ALUMINUM

ALUMINUM FOIL

GLASS CONTAINERS

STEEL & TIN CANS

PLASTICS 1 – 7

Removing caps, rinsing, and flattening is ideal but not necessary.

Please recycle only container forms of plastic (bottles and jars only). No plastic bags, no deli trays and no styrofoam.

PAPER & PAPER PRODUCTS MUST BE TIED OR COMBINED IN A CLEAR PLASTIC BAG

NEWSPAPERS

PAPERBOARD

OFFICE PAPER

PHONE BOOKS

MAGAZINES

CATALOGS

All paper can be mixed together but must be tied or bagged in Clear plastic bags. Paper must be kept separate from bottles & cans. Do not put paper in the recycling bin.

Please contain all paper in some form (ex: tie, bundle, bag etc..)

Please remove all wax or plastic on paper.
Please recycle window envelopes.

Please recycle **ALL** good, clean paper.

OTHER RECYCLABLES CAN BE PLACED AT THE CURB

CORRUGATED BOXES

Flatten all cardboard and stack under or next to the recycle bin or bags of paper. Do not put cardboard in the recycle bin.

SCRAP METAL

Place metal items at the curb for the regular pickup. Scrap metal includes appliances, bikes, lamps, mowers, etc.

USED MOTOR OIL

In sealed plastic containers, allow head space for expansion

LEAD ACID BATTERIES

Set next to the recycling bin.
